

## Pathashaala

(IGCSE / A level School)

**is looking for Teachers who will continue to be Learners,**  
(also known as Educator Learners)

who will work with others to create the right atmosphere of learning and living in the light of the teachings of Shri J.Krishnamurti

Pathashaala offers a special opportunity for adults & young to learn and live sustainably in a rural campus that uses solar, wind, biogas for energy and practices ecological sanitation through dry composting toilets.

**Starting salary is at Rs 3.8 Lakhs CTI (cost to institution). Teaching experience, while welcome is not mandatory.**

Pathashaala also offers an apprentice programme.

Pathashaala is registered with Cambridge University for the IGCSE and A level exams. Learning happens in groups of 15 to 27 students in mixed and same age environments with many contexts of individualized and collaborative learning. Designed for 120 students in residence and 30 staff, Pathashaala now has 100 students and 20 resident staff.

The housing for Educators is simple, and adequate. Nutritious vegetarian food is provided in a common dining hall for all students, teachers and non teaching staff.

The centre also has an Outreach programme engaging with neighbourhood schools and community.
